Music Scholarships

Receive One Year of Free Private Music Instruction at Absolute Music Studios

Selected students will have the opportunity to take one year of private music lessons free of charge at Absolute Music Studios. Instruction on most instruments will be offered, including guitar, voice, piano and many more. Instruments will be provided to those who need them.

Absolute Music Studios is located in Jupiter at 725 North Highway A1A, just North of Indiantown Road and one block from the beach. We will work with parents/guardians of selected students to set up the lesson time. Lessons will always meet at the same day and same time each week.

Before applying, please consider all of the factors involved in this scholarship, including the time to attend weekly lessons, practice time at home, and transportation to and from lessons. This is a big commitment for not only the student, but the family as well.

To apply, complete and return the following items to Absolute Music Studios:

- **Registration Form**
To be completed by the parent/guardian.
- **Financial Statement**
A copy of the first page of your most recent tax return form, Social Security benefits, or proof of government assistance.
- **Essay**
The child will have to write an explanation of no less than 50 words why they would like to take music lessons. The student should consider how music can help their lives, what they want to achieve by playing music, and why they should receive the scholarship.
