Silent Auction Donation Request Form

Peace, Love & Music is once again hosting a silent auction at the Jupiter Community Center in conjunction with Absolute Music Studios' Student Showcase concert on Saturday, December 2, 2017. We are raising funds to provide scholarships, instruments and music education to at risk youth, and those facing physical and financial challenges.

Would you donate a product or service from your business to support this cause? All donations are greatly appreciated and are tax deductible. Participating businesses will be prominently featured in the event program and receive formal recognition during the event.

Simply fill it out this request form, then call or email us and we'll take care of everything. Thank you for your consideration of our request to help inspire and enrich lives through music education.
